

Francis' prayer

*Almighty God, Your Word tells us that You are **"a Father to the fatherless"** and that **"You set the lonely in families"** (Psalm 68:5-6).*

We grieve over the number of lonely and fatherless children we see on this earth. Every day they spend apart from parents is another day filled with pain, confusion and dysfunction.

***Lord, use Your servants at Care for Children to help place these children in loving homes.** Speak through us to motivate Your followers to open their hearts and homes to these precious children.*
